

# The Vintage Avenue

## Consultation Cutting and Styling

Our stylists always carefully consider your face shape and recommend the best look to compliment your features, whether it's a new soft fringe or growing some old layers longer, you can be sure you are in excellent hands.

Our team love to see photos or pictures - if it's a look you have had before and loved, or a picture of your favourite celebrity hairstyle, bring it along and the team will take inspiration from that look.
